Profile

Over 4 years of experience in the work force. I would best describe myself as a very hard worker/fast learner and someone who you can trust when things need to get done. On my spare time I play basketball and coach basketball for a high school team in the winter.

Experience

Skid-steer / Piler operator Lamb Weston October 2020 - Present

- Operated a skid-steer to haul potatoes from the plant into a tub which would later fill semi-trucks. Got so efficient that I was often called upon to supervise operations
- Often did maintenance on machinery
- During harvest was trusted to operate a piler to get potatoes from the semis back into the plant

Shop Labourer Chinook Carriers, Taber November 2019 - October 2020

- Did basically whatever was needed to be done at the shop which ranged from cleaning trailers to patching semi-tires to repairing brakes and everything in-between
- During harvest worked as a tipper which involved a lot of difficult physical labor and long days
- Obtained a loader license

Fulfillment and Cashier Walmart, Taber April 2018 - October 2019

- Dealt with customers on a daily basis which improved my people skills and also learned how to deal with customers that were not so polite
- Got up to 1400 scans per hour as a cashier
- Was promoted to a fulfillment position where I increased productivity through unloading trucks and stocking shelves

Education

- High School diploma from St.Marys Taber
- CIT degree Lethbridge College

Skills

Hard Working Fast Learner Good technical skills Friendly
Positive attitude Work well in teams Organized

Technical Skills

-DBMS -MySQL -C++ -C# -HTML
